KNOW ALL MEN BY THESE PRESENTS:
WHEREAS, BEACON INVESTMENT COMPANY, a Corporation, is the Owner of the following described real property in Wagoner County, State of Oklahoma, to-wit:
A tract of land in the Northeast Quarter (N 1/4) of Section 7, Township 18 North, Range 16 East of the Indian Base and Meridian, in Wagoner County, Oklahoma, according to the U.S.G. Patent Survey 13700, being more particularly described as follows: BEGINNING at the Northwest Corner of the Northeast Quarter (N 1/4) of said Section 7; thence South 24°14'14" East for 2,637.88 feet; thence South 89°45'24" East for 1,982.53 feet; thence South 89°44'39" East for 660.99 feet; thence North 0°26'14" East for 1,318.11 feet; to the Northeast Corner of said Section 7; thence North 89°43'54" West for 2,644.55 feet, to the Point of Beginning, containing 137.93 Acres, more or less.

AND, the said owner has caused the above described property to be surveyed, platted and staked into lots and streets, in conformity with the accompanying Plat which they hereby adopt as the Plat of the above described land as hereinafter described in Wagoner County, State of Oklahoma.
AND, the undersigned Owner hereby dedicates, for the public use, the streets and utility easements as shown and designated on the accompanying Plat for the several purposes of construction, maintaining, operating, repairing, removing and replacing any and all public utilities, including storm and sanitary sewers, telephone lines, electric power lines and transformers, gas lines and water and express to and upon said easements for the uses and purposes aforesaid, together with similar rights in each and all the streets shown on said Plat, PROVIDED, HOWEVER, that the undersigned Owner hereby reserves the right to construct, install, operate, lay and relay water and sewer lines, together with the right of ingress and egress for such construction, maintenance, operation, laying, furnishing water and/or sewer services to the area included on said Plat, and over across and along all strips of land included within the easements shown thereon, both for the purposes of AND, the undersigned Owner, for the purpose of providing an orderly development of the entire tract, and for the further purpose of insuring adequate restrictions and covenants, and for the mutual benefit of the undersigned Owner, it is necessary and advisable, do hereby impose the following restrictions, limitations and reservations which shall be binding upon all subsequent purchasers.
PROTECTIVE COVENANTS AND RESTRICTIONS:

- Overhead poles for the supply of electric service may be located along all perimeter and within utility easements of this Addition. Street light poles or standards may be served by underground cable and elsewhere through said Addition all supply lines may be located above ground or underground, in the easement-ways reserved for general utility services and streets, shown on the attached Plat. Service pedestals and transformers, as sources of supply at secondary voltages, may also be located in said easement-ways.
- Underground services cables to all houses which may be located on all lots in said Addition may be run from the nearest services, pedestal or transformer to the point of usage determined by the location and construction of such houses as may be located upon each said lot, provided that upon the installation of such service cable to a particular house, the supplier of electric service shall thereafter be deemed to have a definitive, permanent, effective and exclusive right-of-way easement on said lot, covering a five-foot strip extending 2.5 feet on each side of such service cable, extending from the service pedestal or transformer to the service entrance on said house.
- The supplier of electric service, through its proper agents and employees shall at all times have right of access to all such easement-ways shown on said Plat, or provided for in this Deed of Dedication, for the purpose of installing, maintaining, removing or replacing any portion of said underground electric facilities so installed by it.
- The owner of each lot shall be responsible for the protection of the underground electric facilities located on his property and shall prevent the alteration of grade or any construction activity which may interfere with said electric facilities. The company will be responsible for ordinary maintenance of electric facilities, but the owner will pay for damage or relocation of such facilities caused or necessitated by acts of the owner or his agents or contractors.
- The foregoing Covenants concerning underground electric facilities shall be enforceable by the supplier of electric service and the owner of each lot agrees to be bound hereby.
- No home shall be erected whose ground floor square footage is less than 1,500 Square Feet, exclusive of porches and garage. All 1-1/2 and 2-story homes shall be a minimum of 1,200 Square Feet on the ground floor.
- No lots shall be sub-divided into lots less than 1-1/4 Acres without the written consent of a majority of landowners in the Addition.
- No commercial enterprise, noxious or offensive trade or enterprise shall be carried on in this Addition on any lot, nor shall anything be done there that would become an annoyance or nuisance to the neighborhood, EXCEPT lots 1, 2, 11 and 12, Block 2, and lots 1, 2, 15 and 16, Block 1, are zoned for, and may be used for, commercial purposes.
- The exteriors of all homes shall be completed within six (6) months after the footing is poured.
- All buildings or structures shall be set back a minimum of 25.0 Feet from any property line.
- The exterior of all homes shall be constructed of standard approved material, such as: stone, brick, stucco exteriors, 1/2", or grade plywood. All buildings shall be at least 20' stone or brick fronting, excluding stucco.
- No cess pool, leaking tank or privy shall be built, or allowed to remain on any lot.
- All septic systems shall be installed in accordance with the Wagoner County Health Department.
- No tent, shack, garage, barn or other outbuildings shall be used as a residence - temporary or permanent.
- One head of livestock - cow or horse ONLY shall be allowed for every 1-1/2 Acres of property owned. No property owner shall lease his property as storage.
- PETS: Cats and dogs, etc., shall not be bred on said property for commercial purposes.
- No junk or salvage cars will be permitted on any lot. No converted school buses will be permitted on any lot. Any vehicle on any lot that is not able to move under its own power shall be removed after thirty (30) days.
