RESTRICTIVE COVENANT

- All lots shall be used for residential use only except Block 5
- All single family residences of one story in height shall have a minimum of 700 square feet of living area. All single family residences of one and one-half story or two story, shall have a minimum of 650 square feet on the first floor, with a minimum of 700 square feet on both floors. All square footage requirements are exclusive of garages and porches and are figured on measurements over masonry of the living area.
- No building or part thereof, except open porches and terraces, shall be constructed and maintained on any lot nearer to the front property line than the building line shown on the recorded plat of said addition; and no residence, garage, carport, or accessory building shall be built nearer than five feet to any side lot line on one side and 5.0 feet on the other side, this requiring a combined total of 10.0 feet between any structure and both side lot lines. Where side lot easements are shown greater than the foregoing, no encroachment shall be allowed on the easement.
- No structure previously used or erected shall be moved onto any lot.
- No prefabricated, pre-assembled or modular dwelling or structures shall be placed, erected or permitted to remain in said addition, except one accessory building not to exceed 80 square feet.
- All exposed foundations shall be of brick or stone. No concrete blocks, poured concrete or any other foundation will be exposed. A minimum of 30% of the exterior wall surface of any residence shall be of brick or stone construction.
- No fence, whether ornamental or otherwise, shall be constructed or allowed to remain in front of the minimum building set-back line or be greater than six (6) feet in height, except for privacy screening adjacent to patios which may be seven (7) feet in height.
- Trucks with tonnage in excess of 34 tons shall not be permitted to park in the streets and no vehicle of any size, which normally transports inflammatory, explosive, or health hazardous cargo, may be kept in this subdivision at any time. No vehicle shall be permitted to be parked or repaired in a front yard. No campers or other recreational vehicles shall be parked on or any closer to the street than the front of the residence for a period which exceeds forty-eight (48) hours. All inoperative vehicles shall be kept in an enclosed garage and shall not be parked in the front yard or in the street.
- No structure of a temporary character, trailer, basement, tent, shack, garage, barn, or other outbuilding shall be used on any lot at any time as a residence either temporarily or permanently.
- No building material of any kind or character shall be placed or stored upon any lot for a period greater than thirty (30) days prior to the start of any construction, and at no time shall such material be placed outside the boundaries of the lot owner's ownership. The construction period of any residence, garage, carport, or accessory building shall be completed within nine (9) months. During the construction period, each building site shall be kept orderly and it shall be the responsibility of the lot owner to ensure that all rubbish and construction litter is contained and properly disposed of.
- No sign of any kind shall be displayed to the public view on any lot except one professional sign of not more than five (5) square feet advertising the property for sale, trade or loan, except those signs used by a builder of not more than thirty (30) square feet to advertise property during the construction and sales period and those used by the developer.
- No animals, livestock, or poultry of any kind shall be raised, bred or kept on any lot except that dogs, cats, or other household pets may be kept, provided that they are not kept, bred or maintained for any commercial purposes.
- No trash, ashes, or any other refuse, shall be placed in the open in the subdivision, or along any street therein or adjacent thereof, nor shall any trash or refuse receptacle be constructed or placed in such a manner that it can be seen from the street or adjacent properties. Any such receptacle shall be covered in such a manner to prevent the escape of noxious odors and prevent entrance and/or exit of insect or animal life. Grass, weeds and vegetation on each lot sold shall be kept mowed at regular intervals so as to maintain the same in a neat and attractive manner. Trees, shrubs, vines or plants which die shall be removed from the property.
- Street light poles or standards may be served by underground cable and elsewhere throughout said Addition all supply lines shall be located underground in the easement-ways reserved for general utility services and streets shown on the attached plat. Service pedestals and transformers, as sources of supply at secondary voltages, may also be located in said easement-ways.
- Underground service cables to all houses which may be located on all lots in said Addition may be run from the nearest service pedestal or transformer to the point of usage determined by the location and construction of such house as may be located upon each said lot; provided that upon the installation of such a service cable to a particular house, the supplier of electric service shall thereafter be deemed to have a definitive, permanent, effective and exclusive right-of-way easement on said lot, covering a five-foot strip extending 2.5 feet on each side of such service cable, extending from the service pedestal or transformer to the service entrance on said house.
- The supplier of electric and gas service, through its proper agents and employees shall at all times have right of access to all such easement-ways shown on said plat, or provided for in this Deed of Dedication for the purpose of installing, maintaining, removing or replacing any portion of said underground electric and gas facilities so installed by them.
- The owner of each lot shall be responsible for the protection of the underground electric and gas facilities located on his property and shall prevent the alteration of grade or any construction activity which may interfere with said facilities. Each company will be responsible for ordinary maintenance of underground electric and gas facilities, but the owner will pay for damage or relocation of such facilities caused or necessitated by acts of the owner or his agents or contractors.
- The foregoing covenants concerning underground electric and gas facilities shall be enforceable by the supplier of said services, and the owner of each lot agrees to be bound hereby.
