SAID PROPERTY IS SUBJECT TO ANY AND ALL EASEMENTS AND/OR RIGHT-OF-WAYS OF RECORD.

WHEREAS, the said owner has caused the above-described property to be surveyed, platted and staked in conformity with the plat thereon which they hereby adopt as the plat of the above-described land as Coweta Farm, a subdivision in the City of Coweta, Wagoner County, Oklahoma.

NOW THEREFORE, the undersigned owner does dedicate the easements shown on the accompanying plat for the purposes of constructing, maintaining, operating, repairing, removing and replacing any and all telephone lines, electric lines and transformers, cable television lines, gas and water lines, together with all fittings and equipment with the right of ingress and egress to and upon said easements and rights-of-way, for the uses and purposes aforesaid. No building, structure or other above or below ground obstruction that will interfere with the purposes aforesaid, will be placed, erected, installed or permitted upon the easements or rights-of-way as shown.

THE UNDERSIGNED OWNER, FOR THE PURPOSE OR PROVIDING AN ORDERLY DEVELOPMENT OF THE ENTIRE TRACT AND FOR THE FURTHER PURPOSE OF ENSURING ADEQUATE RESTRICTIONS AND COVENANTS AND FOR THE MUTUAL BENEFIT OF THE UNDERSIGNED OWNERS, THEIR SUCCESSORS AND ASSIGNS AND THE ADJACENT TRACT OWNERS DO HEREBY IMPOSE THE FOLLOWING RESTRICTIONS, LIMITATIONS AND RESERVATIONS WHICH SHALL BE BINDING UPON ALL SUBSEQUENT PURCHASES.

SECTION 1
UTILITY EASEMENTS AND RIGHTS-OF-WAY

The owner does hereby dedicate for the public use rights-of-way and utility easements and depicted on the attached plat for the several purposes of constructing, maintaining, repairing, removing and replacing any and all public utilities, including storm and sanitary sewers, telephone lines, cable television, electric power lines and transformers, gas lines and water lines, together with all fittings and equipment for each of such facilities including the poles, wires, conduits, pipes, valves, meters and any other appurtenances thereto, with right of ingress and egress to the easements for the uses and purposes aforesaid; provided, however, that the owner hereby reserves to itself, and to its assigns, the right to use or delegate to others the right to use the designated easements and rights-of-way to provide any of the services set forth herein, including, but not limited to the right to construct, maintain, operate, lay and re-lay water lines and sewer lines, together with the right of ingress and egress over, across and along all of the utility easements depicted on the plat, for the purpose of furnishing water and/or sewer service to the area included within the plat, the owner herein imposes a restrictive covenant, which shall be binding on each lot owner and shall be enforceable by the City of Coweta, Wagoner County, Oklahoma and the supplier of any affected utility service, that within the utility easements depicted on the uses and purposes of the easement shall be placed, erected, installed or maintained; provided however, nothing herein shall be deemed to prohibit utility easements, driveways, parking areas, curbing, and landscaping that does not constitute an obstruction as aforesaid.

- A. ELECTRIC, TELEPHONE, CABLE TELEVISION AND GAS SERVICE
1. Overhead poles may be located along perimeter of the subdivision as necessary if located in utility easements for the purpose of supply of underground service. Street light poles or standards may be served by underground cable, and except as provided in the immediately preceding sentence, all electric and communication supply lines shall be located underground, in the easement-was reserved for general utility services and streets, shown on the attached plat. The owner does hereby restrict the utility easements shown and designated on the accompanying plat to a single supplier of electrical service. No other overhead poles may be utilized other than for exterior lighting.
2. All supply lines in the Subdivision including electric, telephone and cable television and gas lines shall be located underground in the easements reserved for general utility services and streets shown on the plat of the subdivision. Service pedestals and transformers, as sources of supply at secondary voltages, may also be located in said easements.
3. Underground service cables and gas service lines to all structures which may be located on all lots in the Subdivision may be run from the nearest gas main, service pedestal or transformer to the point of usage determined by the location and construction of such structure as may be located upon each said lot; provided that upon the installation of such a service cable or gas service line to a particular structure, the supplier of service shall thereafter be deemed to have a definitive, permanent, and effective right-of-way easement on said lot, covering a five-foot strip extending 2.5 feet on each side of such service cable or line, extending from the service pedestal, transformer or gas main to the service entrance on the structure or a point of metering.
4. The supplier of electric, telephone, cable television and gas services, through its authorized agents and employees, shall at all times have right of access to all such easements shown on the plat to the Subdivision or provided for in this deed of dedication for the purpose of installing, maintaining, removing or replacing any portion of the underground electric, telephone, cable television or gas service facilities so installed by it. The supplier of electric, telephone, cable television also reserves the perpetual right, privilege and authority to cut down, trim, or treat any trees and undergrowth on said easement.
5. The owner of each lot in the Subdivision shall be responsible for the protection of the underground electric facilities located on his property and shall prevent the alteration of grade or any construction activity which may interfere with said electric, telephone, cable television or gas facilities. The supplier of service will be responsible for ordinary maintenance of underground facilities, but the owner of each lot in the Subdivision will pay for the damage or relocation of such facilities caused or necessitated by acts of such owner or his agents or contractors. The foregoing Covenants concerning underground facilities shall be enforceable by the supplier of electric, telephone and cable television or gas services, and the owner of the lot agrees to be bound hereby.

- B. WATER SERVICE
1. The owner of the lot shall be responsible for the protection of the public water mains located on his lot. Within restricted waterline easements depicted on the attached plat the alteration of grade in excess of three (3) feet from the contours existing upon completion of a public water main or any construction activity which may interfere with a public water main shall be prohibited.
2. The City of Coweta, Oklahoma shall be responsible for ordinary maintenance or public water mains, but the owner of the lot shall pay for damage or relocation of such facilities caused or necessitated by acts of the owner or his agents or contractors.
3. The City of Coweta, Oklahoma, or its successors shall at all times have right of access to all restricted waterline easements depicted on the attached plat, or otherwise provided for in this Deed of Dedication for the purpose of installing, maintaining, removing, or replacing any portion of the water facilities owned by it.
4. The foregoing covenants concerning the water facilities shall be enforceable by the City of Coweta, Oklahoma, or its successors, and the owner of the lot agrees to be bound hereby.

- C. GAS SERVICE
1. The supplier of natural gas service shall at all times have right of access to all utility easements depicted on the attached plat, or otherwise provided for in this Deed of Dedication for the purpose of installing, maintaining, removing or replacing any portion of natural gas facilities installed by the supplier of natural gas service.
2. The supplier of natural gas shall have a definitive, permanent and effective easement on the lot, covering a 5 foot strip extending 2.5 feet on each side of the service line, extending from the gas main to the service entrance on the structure.
3. The owner of each lot shall be responsible for the protection of the underground natural gas facilities located on his lot, the alteration of grade or any construction activity which may interfere with the underground natural gas facilities shall be prohibited.
4. The supplier of service shall be responsible for ordinary maintenance of the underground facilities, but the owner shall pay for damage or relocation of such facilities caused or necessitated by acts of the owner of the lot or his agent or contractors.
5. The foregoing covenants concerning underground natural gas facilities shall be enforceable by the supplier of natural gas service, and the owner of the lot agrees to be bound hereby.

- D. DRAINAGE EASEMENTS
1. Drainage easements designated on the plat are hereby dedicated to the City of Coweta, Oklahoma for the purpose of maintaining, constructing or repairing all drainage facilities. These easements may be used for utilities according to the provisions in the Certificate of Dedication as it applies to easements except that construction and use of utilities therein shall not interfere with the use for drainage purposes.
2. No building structure, wall, fence, or above or below ground obstructions shall be constructed or placed within any drainage easement without approval of the City of Coweta, Oklahoma.
3. The owner of each lot upon which a drainage easement is situated shall be solely responsible for the maintenance of any said easement which traverses their respective property.
4. In the event the owner should fail to properly maintain the drainage facilities or, in the event of the placement of an obstruction within, or the alteration of the grade or contour therein, the City of Coweta, Oklahoma or its designated contractor may enter and perform maintenance necessary to the achievement of the intended drainage functions and may remove any obstruction or correct any alteration of grade or contour and the cost thereof shall be paid by the owner, or the Homeowners' Association. In the event the owner or the Homeowners' Association as the case may be, fails to pay the cost of the maintenance after completion of the maintenance and the receipt of a statement of costs, the City of Coweta, Oklahoma may file of record a copy of the statement of costs, and thereafter file a lien against the subject lot, such lien, however, shall be subordinate to the lien of any first mortgage. A lien established as above provided may be foreclosed by the City of Coweta, Oklahoma.
5. The foregoing covenants set forth in this Paragraph D shall be enforceable by the City of Coweta, Oklahoma and the owner of the lot agrees to be bound hereby.

- E. SURFACE DRAINAGE
The lot shall receive and drain, in an unobstructed manner, the storm and surface waters from lots and drainage areas of higher elevation and from public streets and easements. No lot owner shall construct or permit to be constructed any fencing or other obstructions which would impair the drainage of storm and surface waters over and across his lot. The foregoing covenants set forth in this paragraph shall be enforceable by any affected lot owner and by the City of Coweta, Oklahoma.

- F. PAVING AND LANDSCAPING WITHIN EASEMENTS
Owner of the lot affected shall be responsible for the repair of damage to landscaping and paving within the utility easements which may result from necessary use for or maintenance and installation of underground water, sanitary sewer, storm sewer, electrical, natural gas, communications or telephone facilities provided, however, the City of Coweta, Oklahoma, or the supplier of the utility service shall use reasonable care in the performance of such activities.

- G. SANITARY SEWERAGE
1. Within this subdivision, sewerage is to be disposed of by the City of Coweta Sewer and Lift System.
2. The sewer service line shall be installed and maintained in accordance with the approved plans.
3. The foregoing covenants concerning sewer facilities shall be covenants running with the land and shall inure to the benefit of and shall be enforceable by the City of Coweta, Oklahoma and the owner of the lot agrees to be bound hereby.

- H. OVERLAND DRAINAGE EASEMENTS
1. The owner/developer does hereby grant to the City of Coweta, Oklahoma and establish perpetual easements on, over and across those areas designated on the accompanying plat as "ODE" or "Overland Drainage Easement" for the purpose of permitting the overland flow, conveyance, and discharge of storm water runoff from the various lots within the subdivision and from properties outside the subdivision.
2. Drainage facilities constructed in overland drainage easements shall be in accordance with the adopted standards of the City of Coweta, Oklahoma, and plans and specifications approved by the City of Coweta, Oklahoma.
3. No fence, wall, building or other obstruction may be placed or maintained in the overland drainage easement areas nor shall there be any alteration of the grades or contours in the easement areas unless approved by the City of Coweta, Oklahoma, provided, however, that the planting of turf or trunk trees having a caliper of not less than two and one-half (2 1/2) inches shall not require the approval of the City of Coweta, Oklahoma.
4. The overland drainage easement areas and facilities shall be maintained by the owner of the land upon which the drainage easement is located at its cost in accordance with standards prescribed by the City of Coweta, Oklahoma. In the event the owner of the land over which an overland drainage easement is located should fail to properly maintain the easement area and facilities located thereon or, in the event of the placement of an obstruction within the easement area, or the alteration of the grade or contour therein, the City of Coweta, Oklahoma, or its designated contractor may enter the easement area and perform maintenance necessary to the achievement of the intended drainage functions and may remove any obstruction or correct any alteration of grade or contour, and the cost thereof shall be paid by the owner of the land. In the event the owner fails to pay the cost of maintenance after completion of the maintenance and receipt of a statement of costs, the City of Coweta, Oklahoma, may file of record a copy of the statement of costs, and thereafter the costs shall be a lien against the land of the owner. The City of Coweta, Oklahoma, or their agents may foreclose a lien established as above provided.

- PROTECTIVE COVENANTS AND RESTRICTIONS
1. No building material of any kind or character shall be placed or stored upon any lot for a period greater than thirty days prior to the start of any construction, and at no time shall such material be placed outside the boundaries of the lot owner ownership. The construction period of any residence, garage, or accessory building shall be completed within nine months. During the construction period, each building site shall be kept orderly and it shall be the responsibility of the lot owner to ensure that all rubbish and construction litter be contained and properly disposed of.
2. No prefabricated, pre-assembled or modular dwelling or structure previously erected or used shall be moved onto any lot. No trailer, basement, tent, shack, garage, garage, or other outbuilding type of structure shall be moved onto any lot in this development. No temporary structures will be permitted, no mobile trailer, bus, tent shack, garage, barn or other outbuilding shall ever be used as temporary or permanent dwelling or living space, or residence; this includes trailer and mobile homes.
3. No noxious or offensive trade or activity shall be carried on upon any lot in the development nor shall anything be done thereon that may be or may become an annoyance or a nuisance to the neighborhood.
4. No sign of any kind shall be displayed to the public view on any lot except one professional sign of not more than 5 square feet advertising the property for sale or advertising the property during the construction period.
5. No business for the sale of products or services shall be conducted on property other than the sale of the property itself at any time.
6. All lots shall be used for residential purposes only.
7. No more than one residence shall be erected on any lot now shown on the plat.
8. No lot shall ever be used as a storage yard or rebuilding area for salvage or used cars; or racecars, or stock cars.
9. Trucks with tonnage in excess of 1 ton shall not be permitted to park in the street and no vehicle of any size, which normally transports inflammatory, explosive, or health hazardous cargo may be kept in this development at any time. No vehicle shall be permitted to be parked or repaired in a front yard and not longer than 5 days in a back yard unless inside of a building, then only for personal use and not for business or resale. All inoperative vehicles shall be kept in an enclosed garage and shall not be parked in the front yard or in the street.
10. The owner of each lot and/or residence shall keep the same free from rubbish, litter and noxious weeds. No trash or other refuse shall be placed in such a manner as to prevent the escape of noxious odors and prevent entrance and/or exit of insect or animal life. Grass, weeds and vegetation on each lot sold shall be kept mowed at regular intervals so as to maintain the same in a neat and attractive manner. Trees, shrubs, vines or plants, which are dead, shall be removed from the property.
11. No animals, livestock or poultry shall be raised, bred or kept at any residence or on any lot. Household pets may be kept provided that they are not bred or maintained for commercial purposes and are to be confined to their lot and not allowed to roam through the subdivision.
12. All single-family residences of one story in height shall have a minimum plate line height of eight feet and a minimum of 1400 square feet of living area. Any two-story homes shall have a minimum of 1000 square feet of living space in the downstairs area with a minimum plate line height of eight feet and a minimum of 400 square feet of living space in the upper floor. All square footage requirements are exclusive of garage and porches and are figured on measurement over exterior of living area. All residences shall have at least a two-car garage. All residences shall have a minimum 8/12 pitch roof, except for the porches and patios. The roofs will be constructed of Owens Corning Oakridge Onyx Black in color or approved equal.
13. No building or part thereof, except open porches and terraces, shall be constructed and maintained on any lot nearer to the front of the property line than the building line shown on the recorded plat of said addition, and no residence, garage, carport, or other accessory building shall be nearer than five (5) feet to any side lot line. Where side lot easements are shown greater than the foregoing, no encroachment shall be allowed on the easement.

- 14. All exposed foundations shall be of brick or stone. No concrete blocks, poured concrete or any other foundation will be exposed. No stem walls will be exposed. Exterior wall surface will be lap plus board and batten construction constructed in a "farmhouse style".
15. Areas may be designated to be landscaped with assorted plant materials by the developer and turned over to the Association for maintenance. In the event the Association fails to maintain these areas in a proper and safe manner, the City of Coweta will have the right to maintain these areas and bill each member of the Association for that cost. Should payment by any member not occur, the City of Coweta and/or the Association may place a lien on the delinquent member's personal property within this Platated Area. Areas in street right-of-ways adjacent to the subdivision are to remain part of the street right-of-ways, but maintenance of all these areas remains the responsibility of each homeowner or lot owner.

HOMEOWNERS' ASSOCIATION
16. The owner and developer of Coweta Farm shall be responsible for the maintenance of common areas until the establishment of "Coweta Farm Homeowners' association". Membership in the Homeowners' association, once established, shall be mandatory to each lot owner, or part thereof in "Coweta Farm", but only after the initial occupancy of a home built on a lot, or part thereof, or one (1) year after the initial conveyance from the owner and developer to a lot buyer, whichever occurs first. The Homeowners' association shall be formed, and shall function according to the terms of the Articles of Incorporation, and the By-Laws. Notice of the effective date of formal establishment of the Homeowners' association shall be filed at the Office of the County Clerk, Wagoner County, Oklahoma, and indexed to the Plat of "Coweta Farm".

17. Dues and assessments shall be established by the Homeowners' association according to the provisions of the articles and by-laws, and the Homeowners' association shall have legal remedy for the failure of any lot owner to make timely payment of duly authorized dues or assessments. Dues of the Homeowners' association shall be termed "base dues". Base dues shall be defined as those necessary to conduct business and provide for the common good of all lot owners in "Coweta Farm" and they shall evenly applied. Maintenance of common areas are for the common good, and they shall include: signage feature, including trees and landscaping, sprinkler systems (if any), lighting, and fencing and the street right-of-ways by the plat for "Coweta Farm". Payment of dues or assessments established by the Homeowners' association shall be mandatory according to the Articles of Incorporation and/or By-Laws of the Homeowners' association. The dues will be no more than the minimum amount necessary to maintain the common areas of interest to the Homeowners' association, and to conduct the authorized business of the Homeowners' Association. Equality of dues to each lot owner is required.

ARCHITECTURAL COMMITTEE
18. Coweta Farm Architectural Committee will be formed to review and approve any structure to be built on any lot or part thereof, and shall also be responsible for interpreting the development and construction standards contained herein. Mark and Christopher Truitt shall be the designated Architectural Committee. The committee may appoint a single additional member at a point mutually agreeable to the "Coweta Farm" Homeowners' Association. The Architectural Committee shall be formed consisting of members of the Homeowners' Association.

19. No building shall be erected, placed, or altered on any lot in "Coweta Farm" until the floor plan, exterior elevation and material thereof, and plot plan, which plot plan shows the location and facing of such building, all of which have been drawn by a professional architect or home designer, have been approved in writing by the duly authorized Architectural Committee. In the event the Architectural Committee fails to approve or disapprove any such plans, specifications, materials and plot plans submitted to it as herein required within (30) days of receipt of such submission, such approval shall not be required and this covenant shall be deemed to have been fully complied with. The Architectural Committee's purpose is to promote good design and compatibility with the subdivision and in its review of plans or determination of any waiver as hereinafter authorized, may take into consideration the nature and character of the proposed building or structure, the materials of which it is to be built, the availability of alternative materials, the site upon which it is proposed to be erected, and the harmony thereof with the surrounding area. The Architectural Committee shall not be liable for any approval, disapproval or failure to approve hereunder, and its approval of building plans shall not constitute a warranty or responsibility for building methods, materials, procedures, structural design, grading, drainage or code violations. The approval or disapproval or the failure to approve any building plans shall not be deemed a waiver of any restriction, unless the Architectural Committee is hereinafter authorized to grant the particular waiver. The powers and duties of the Committee or its designated representatives shall cease on the date that the last house is constructed on these lots. Thereafter the approval described in this covenant shall not be required unless prior to said date, or effective thereon, a written instrument shall be executed by the then record owners of the majority of the lots in this subdivision and duly recorded, appointing a representative or representatives who shall thereafter exercise the powers as previously exercised by the Committee for such periods as may be specified in the instrument.

STEM WALLS: Concrete stem walls shall be covered with brick, natural stone or stucco.
GARAGES: A garage providing space for a minimum of two and a maximum of three automobiles shall be provided on each lot. Garages shall be enclosed. Carports are not permitted. Detached garages shall conform to the architectural style of the residence, and the Architectural Committee must approve the plans.
RETAINING WALLS: Retaining walls shall be brick, stone or stucco. Railroad tie retaining walls are not permitted. The Architectural Committee shall make final decisions on materials authorized for use in retaining walls.
OUT BUILDINGS: Out buildings or other permanent structures shall not be built without prior written approval from the Architectural Committee. If approved, they shall be compatible with material and style with the primary residence. The maximum size of out buildings shall be no greater than 320 square feet. No part of a building shall be constructed within five (5) feet of any property line. Outbuildings must have permits and meet City of Coweta setback requirements.

- FENCES:
1. No fencing shall extend beyond the front building line, or the side building line on a corner lot, of any residence.
2. If a residence is built behind the front building line of a lot, a fence may not extend beyond that point nearest the street at each end corner of the home, except as noted in paragraph 26 below. As regards fencing, only a two rail wood fence with black chain will be allowed, with a maximum height of four (4) feet.
3. The Architectural Committee shall review all fences and can make exceptions upon written approval. All fenced areas adjoining a lot will be maintained by that individual homeowner.
4. POOLS: Outdoor swimming pools shall be in-ground and permanent. Children's wading or play pools of a temporary nature are permitted. Lots with swimming pools shall provide sufficient security fencing. Ancillary equipment shall be shielded from view of adjacent property owners and the streetscape.
5. LIGHTING: Exterior lighting, except temporary seasonal decorative lighting (35 days or less) and low voltage landscape lighting, is limited to non-glare bulbs or shielded fixtures.
6. ANTENNAS/SATELLITE DISHES: Outside electronic reception devices and, or satellite dishes shall be allowed.
7. CLOTHES LINES: No exposed clothes line poles or outdoor drying apparatus will be permitted on any lots.
8. GENERAL UP KEEP: All structures, landscaping, and improvements shall be maintained in good condition and repair at all times.
9. NOISE: Excessive noise that intrudes on the peaceful enjoyment of a residential property is not permitted.
10. FIREPLACE: All non-masonry fireplace chimneys shall have an Architectural Committee approved single story terminator cap. Sheet metal or aluminum vents, flue liner terminals, chimney caps, or other rooftop protrusions shall be painted.
11. SEMI-TRAILERS: Semi-trailers and semi-trailer trucks shall not be allowed, parked, or repaired anywhere within the subdivision.
12. GARAGE SALES: Garage sales shall not occur within the subdivision more than once per year on any lot.
13. FIREARM USE: No discharge of firearms, of any kind, within the subdivision will be permitted.
14. TEMPORARY STRUCTURE: No trailer, tent, garage or other buildings previously erected shall at any time be used as a residence either temporary or permanent.
15. HOMEOWNER COMPLIANCE: Each owner shall promptly and properly comply with all federal, state, county or local laws, statutes, ordinances, rules and regulations regarding use and occupancy of owner's property and land use, and health and safety issues.

24. These restrictive covenants, together with the other documents incorporated by reference, shall be construed as an entity and the pertinent sections of all instruments as a whole. The invalidity of any phrase, clause or provision herein contained shall not serve to render the balance or this instrument void or unenforceable, and the same shall be thereafter construed as if such clause or provision were not herein contained, or to otherwise give maximum effect to the intent of the undersigned. The failure of the grantor or any successor in title to enforce any given restriction, covenant, or condition, at any time or from time to time, shall not be deemed to be a waiver or relinquishment of any right or remedy, nor a modification of these restrictions and protective covenants. In matters pertaining to the appearance of specific homes in "Coweta Farm" or the overall appearance of "Coweta Farm" subdivision, the Architectural Committee shall be responsible for interpreting these covenants or deciding the standard to be used in the event a covenant becomes invalid or unenforceable.
25. The owner and developer of "Coweta Farm" reserves the right in its sole discretion and without joinder of any of the owners of any other lot at any time so long as it is owner of two or more lots to amend, to revise or abolish anyone or more of the above covenants and restrictions contained in this Section by instrument duly executed and acknowledged by it as owner and developer and filed in the County Clerk's office at the Court House of Wagoner County, Oklahoma. Subsequent to the formation of "Coweta Farm" Homeowners' Association, the owner and developer may assign this reservation to the Homeowners' Association. However, the By-Laws of the Homeowners' Association shall provide that any covenant shall not be changed or abolished unless approved by sixty percent (60%) of the members of the Homeowners' Association.
