CommunityCare™ HMO™

# Primary Care Physicians Listing Tulsa Area

**How to Choose a Primary Care Physician:**

You must choose a Primary Care Physician (PCP) when you enroll. This is the first step to using CommunityCare HMO. This doctor will manage and coordinate your healthcare, except emergency and urgent care. CommunityCare HMO is served by the hospital networks listed under "Hospitals." If you need help selecting a PCP, you may contact Member Services at 1-800-777-4890 or visit our Web site at www.ccok.com.

**Things to Consider When Choosing a PCP:**

1. Hospital Facility
2. Primary Care Physician (PCP) Network
3. Specialist Network
4. OB/GYN Network
5. Behavioral Health Network

**You must remain in the same network for all your healthcare needs, except emergency and urgent care services.**

Example of how our network affiliations work:

CommunityCare HMO Member John Doe chooses Dr. Bob Bush of the St. John Network. This will give Mr. Doe access to St. John Medical Center for Hospital Services and access to St. John Specialists for specialty care.

Network = St. John
Hospital = St. John Medical Center
Specialists = St. John Network

Network changes for some of our employer groups are limited to once a year at your Employer's Open Enrollment Period.

**Note:** Participating Primary Care Physicians who have closed practices have not been listed in this directory.

# Primary Care Physicians

The following list is provided to allow you to select a Primary Care Physician (PCP). This is the first step to using CommunityCare HMO. Your PCP selection will determine what network you will use for all services, except emergency and urgent care services. The PCP network and hospital affiliation are listed immediately under the PCP's name.

**Please Note:** Network changes for some of our employer groups are limited to once a year at your Employer's Open Enrollment Period. All services, except emergency and urgent care services, as defined in the Member Handbook, must be provided within the network you have selected. If you have questions about which network a PCP participates in, please contact Member Services at (918) 594-5242 or 1-800-777-4890. You can also send an e-mail to ccare@ccok.com.

If a physician can provide services in a foreign language, that language will appear below the physician's telephone number.
