The end of the fiscal year is quickly approaching. Forms for your Estimate of Needs will be distributed this week and our office is happy to provide balances, appropriations ledgers, salary increase worksheets etc. in an effort to help you more accurately determine your needs for next year. Additionally, in an effort to make the process move more fluidly, here are some upcoming deadlines:

1. Because the last day of the fiscal year falls on a Monday, the deadline for submitting P.O.'s for this fiscal year is 10:00am June 27, 2014 and must be for activities on or before June 30, 2014.
2. Blanket P.O.'s for July supplies must be submitted by Tuesday, June 24, 2014 and must be dated July 1, 2014. They will not be entered into the system until July 1, 2014.
3. Outstanding encumbrances for 2013-2014 fiscal year must be invoiced by

- September 30, 2014.
4. I would like to have your Estimates of Needs for fiscal year 2014-2014 by June 10th. The Excise Board will schedule their budget meetings with all departments at their next meeting May 28th.
 5. Temporary Appropriations will be made to ensure each office has operating monies until the budget is completed for FY 2014-2015.

Finally, please remember, any money that you do not spend from your budget this year WILL be available for budgets next year. There is no need to spend the remainder of your budgeted funds for items you would not normally purchase in a "use it or lose it" spending spree. Remember the budget process this year and the cuts that were made due to the unavailability of funds.

OKLAHOMA FUN FACTS.....

Boise City, OK was the only city in the United States to be bombed during World War II. On Monday night, July 5, 1943, at 12:30a.m. , a B-17 Bomber based at Dalhart Army Air Base, TX, dropped six practice bombs on the sleeping town, mistaking the city lights as target lights.

GOOD FINANCIAL HEALTH

YOU AND YOUR BUDGET Continuing our series of articles regarding common ways people waste money, here are other detriments to our budgets:

Saying Yes to Rental Car Add-ons

When you rent a car, the fees can add up quickly. One of the heftiest fees can be rental car insurance, or collision damage waiver, which can cost \$20 to \$30 a day. Rental car agents are trained to make this insurance sound nonnegotiable, but you probably don't need it. If the car is for personal use and you have collision coverage on your auto policy, you're covered. (Your credit card may pick up the deductible -- or become your primary coverage if you don't have any other insurance.)

There are plenty of other charges for add-ons, such as a GPS, which typically costs \$13 a day. Bring your own. And think twice about paying for a full tank of gas ahead of time. You can fill up cheaper yourself, and you may not use a full tank anyway.

Paying Too Much for Shipping

If you do your shopping online, you often can avoid paying for shipping by having your purchases shipped to a retailer's brick-and-mortar store or by taking advantage of free shipping promotions.

WELCOME PATTY!!!!

The County Clerk’s office would like to welcome Patty Bourgeois as the newest addition to our family. Patty lives in Coweta and will be working in our Land Records Department. She is a very promising asset to our office. Please be sure to come by and meet her.

**HAPPY FATHER’S DAY TO ALL
YOU DADS!**

Happy Father’s Day

Father's Day is June 15, 2014. It is a celebration honoring fathers and celebrating fatherhood, paternal bonds, and the influence of fathers in society. Many countries celebrate it on the third Sunday of June, but it is also celebrated widely on other days. Father's Day was created to complement Mother’s Day.

MISSION A MATTER OF RIGHT

"A popular Government, without popular information, or the means of acquiring it, is but a Prologue to a Farce or a Tragedy; or perhaps both. Knowledge will forever govern ignorance: And a people who mean to be their own Governors, must arm themselves with the power which knowledge gives."

- James Madison
