STATE OF OKLAHOMA
COUNTY OF WAGONER
I, PHILLIP G. SMITH, a Registered Land Surveyor in the State of Oklahoma, do hereby certify that I have carefully and accurately surveyed and staked into lots, blocks and streets the real estate and premises dedicated as "OAK CREEK PARK", an Addition to the City of Broken Arrow, Wagoner County, State of Oklahoma, and that the above plat is a true and correct representation of said survey showing the length, width and depth of all lots and blocks, and the names, width, boundaries and extensions of all streets.
WITNESS my hand and official seal on this 3rd day of April, 1975, at Tulsa, Tulsa County, State of Oklahoma

CERTIFICATE OF DEDICATION FOR OAK CREEK PARK

KNOW ALL MEN BY THESE PRESENTS:
WHEREAS, OAK CREEK DEVELOPMENT CORP., an Oklahoma Corporation is the owner of the following described real property in Wagoner County, State of Oklahoma, to-wit:
A subdivision of a part of the S/2 of the SW/4 of Section 7, T-18-N, R-15-E, Wagoner County, State of Oklahoma, described by metes and bounds as follows: BEGINNING at the Southwest corner of Section 7, T-18-N, R-15-E, Wagoner County, State of Oklahoma; thence N 0° 10' 41" W along the West line thereof 858.00 feet; thence Due East 1,963.51 feet to a point on the Westerly right-of-way line of old State Highway No. 51; thence S 42° 28' 20" E along said highway right-of-way 99.95 feet; thence S 0° 10' 41" E parallel with the West line of said Section 7 a distance of 784.27 feet to a point on the South line of Section 7; thence Due West 2,030.77 feet to the POINT OF BEGINNING, and containing 39.943 acres, more or less,
and has caused the above described land to be surveyed, staked, platted and subdivided into lots, blocks and streets, and have designated the same as "OAK CREEK PARK", an addition to the City of Broken Arrow, Wagoner County, State of Oklahoma.

NOW THEREFORE, THE UNDERSIGNED, OAK CREEK DEVELOPMENT CORP., does hereby dedicate for public use all of the streets as shown on said plat and does hereby guarantee the title to all of the land covered by said streets, and for the purpose of providing an orderly development of the above described real estate, and in order to provide adequate restrictive covenants for the mutual benefit of itself and its successors in title to the subdivisions of said land (hereinafter referred to as lots) the undersigned does hereby impose the following restrictions and reservations and create the following easements, which shall be binding upon it, its successors, and assigns.

- These covenants are to run with the land and shall be binding on all parties and all persons claiming under them until April 15, of the year 2,000, at which time said covenants shall be automatically extended for successive periods of ten (10) years, unless by vote of a majority of the owners of the lots it is agreed to change said covenants in whole or in part. If the parties hereto, or its assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person or persons owning any property situated in said development of the subdivision to prosecute any proceedings at law or in equity against the parties or person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violations. INVALIDATION of any one of these covenants by judgment or Court Order shall in no way affect any of the other provisions which shall remain in full force and effect.
- All plans and specifications must be submitted to the Developer or his duly authorized representative for written approval prior to the start of construction.
 - All lots in the addition shall be known and described as residential lots, with the explicit exception of Lot 1, Block 1 and Lot 1, Block 2, which are zoned for use other than residential purposes. On the remaining lots known and described as residential lots, no structure shall be erected, altered, placed or be permitted to remain on any lot which exceeds two (2) stories in height, and all residences must have a private garage for not less than two (2) cars attached to the residence. Any detached structure to be built on the lot such as storage buildings, covered entertainment areas, etc., shall conform to the basic styling of the dwelling thereon and the plans for such structures must be submitted to the Developer and receive written approval prior to start of construction. Carport in addition to a two (2) car garage will be permitted only with written approval of the Developer.
 - No building or part thereof, except open porches and terraces shall be constructed and maintained on any residential lot nearer to the front property line than the building lines shown on the recorded plat of said addition, and no residence shall be built nearer than five (5) feet to any side lot line.
 - No residence either previously used or new shall be moved on to any lot in this residential development.
 - Residential Floor Area Requirements: All square footage requirements are exclusive of garages and porches and are figured on measurements over masonry of the living area.
 - All residences constructed in this subdivision shall have a minimum of 1400 square feet of living area for one (1) story residences. For a two (2) story or one and one half (1-1/2) story residence, the minimum shall be 1700 square feet on the first story level.
 - The exterior of all structures erected on any lot shall be constructed of a minimum of 50% masonry, measurements for computing the 50% masonry may exclude actual size of windows, doors, walls of covered porches and patio areas, and shall apply to the first floor only for two (2) story or one and one-half (1-1/2) story residences.
 - All exposed foundations shall be of brick or stone. No concrete blocks, poured concrete or any other foundations will be exposed.
 - Roofs: Roofing material will be restricted to the following itemized materials, any other material shall be brought to the attention of the developer or his duly authorized representative and shall receive written approval prior to start of construction if it is found acceptable.
 - Composition shingles; weight to exceed 235#. Colors are limited to Black, Brown, Dark Gray, White and Solid Green.
 - Cedar Shingles
 - Slate
 - Built Up Roof (tar and gravel will be permitted on contemporary style residences.)
 - No metal shutters, siding or exterior trim shall be permitted on any residence in this addition. Ornamental Iron may be used to tastefully accentuate the architectural projection of the structure.
 - Fencing restricted to the following:
 - Ornamental fences only, not exceeding three (3) feet in height, compatible to the architecture of the residence, constructed of brick, stone, brick and stone, brick and frame, stone and frame, or split rails may be built forward of the building line as shown on the recorded plat.
 - Conventional lot fencing may be used on residential lots, but only behind the building line as shown on the recorded plat, said fencing shall not exceed six (6) feet in height.
 - No noxious or offensive trade or activity shall be carried on upon any lot nor shall anything be done thereon that may be or may become an annoyance or a nuisance to the neighborhood.
 - No animals, livestock, or poultry of any kind shall be raised, bred or kept on any lot except that dogs, cats or other household pets may be kept provided that they are not kept, bred or maintained for commercial purpose.
 - No sign of any kind shall be displayed to the public view on any lot except one professional sign of not more than one square foot. One sign of not more than five square feet advertising the property for sale or rent, or signs used by a builder to advertise the property during the construction and sales period.
 - No trailer shall be allowed within the addition, except that a contractor may use a trailer as a construction office only during the time of construction. No structure shall be used for residential purposes before final completion of said structure and complying with all restrictive covenants.
 - No Lot will be used for the storage of materials for a period of greater than thirty (30) days prior to the start of construction and then the construction shall be completed within nine (9) months. All Lots shall be maintained in a neat and orderly condition at all times.
 - Overhead pole lines for the supply of electric service may be located along the South and West boundaries of the addition. Street light poles or standards may be served by underground cable and elsewhere throughout said Addition all supply lines shall be located underground, in the easement-ways reserved for general utility services and streets, shown on the attached plat. Service pedestals and transformers, as sources of supply at secondary voltages may also be located in said easement-ways.
 - Except to houses on lots described in paragraph 14a above, which may be served from overhead electric service cables to all houses which may be located on all lots in said Addition may be run from the nearest service pedestal or transformer to the point of usage determined by the location and construction of such house as may be located upon each said lot; provided that upon the installation of such a service cable to a particular house, the supplier of electric service shall thereafter be deemed to have a definitive, permanent, effective and exclusive right-of-way easement on said lot, covering a five-foot strip extending 2.5 feet on each side of such service cable, extending from the service pedestal or transformer to the service entrance on said house.
 - The supplier of electric service, through its proper agents and employees shall at all times have right of access to all easement-ways shown on said plat, or provide for in this Deed of Dedication for the purpose of installing, maintaining, removing or replacing any portion of said underground electric facilities so installed by it.
 - The Owner of each lot shall be responsible for the protection of the underground electric facilities located on his property and shall prevent the alteration of grade or any construction activity which may interfere with said electric facilities. Repairs or cost of relocation, required by violation of this covenant, shall be paid for by the owner of the Lot.
 - The foregoing covenants shall be enforceable by the supplier of electric service, and the Owner of the Lot agrees to be bound thereby.
 - The undersigned Owner further dedicates to the public for public use forever the easements and right-of-way as shown and designated on the plat for the several purposes of constructing, maintaining, operating, repairing, replacing any and all public utilities including the storm and sanitary sewers, telephone lines, electric power lines and transformers, gas lines and water lines, together with all fittings, and equipment for each of such facilities and any other appurtenances thereto, with the right of ingress and egress upon said easements and right-of-way for the uses and purposes aforesaid, together with similar rights in each and all of the streets shown on said plat; PROVIDED, HOWEVER, that the undersigned Owner hereby reserves the right to construct, maintain, operate, lay and relay water lines and sewer lines together with the right of ingress and egress for such construction, maintenance, operation, laying and relaying over, across and along all of the public streets, alleys and easements shown on said plat, and/or sewer services to the area included in said plat and to any other areas.

WITNESS my hands and seal on this 19 day of June, 1975, at Tulsa, Tulsa County, State of Oklahoma
