

vacancy or vacancies created by the death or resignation of any of the aforesaid members, and said newly appointed member shall have the same authority hereunder as their predecessors, as above set forth. In the event the Architectural Committee fails to approve or disapprove any such plans, specifications, color scheme, materials and plot plans submitted to it as herein required within 30 days after such submission, or in the event no suit to enjoin the erection of such building or the making of such alteration has been commenced prior to the completion thereof, such approval shall not be required and this covenant shall be deemed to have been fully complied with.

B. The Architectural Committee's purpose is to promote good design and compatibility within the Addition and in its review of plans or determination of any waiver as hereinafter authorized, shall take into consideration the nature and character of the proposed building or structure, the materials of which it is to be built, the availability of alternative materials, the site upon which it is proposed to be erected and the harmony thereof with the surrounding area. The Architectural Committee shall not be liable for any approval, disapproval or failure to approve hereunder, and its approval of building plans shall not constitute a warranty or responsibility for building methods, materials, procedures, structural design, grading, drainage, or code violations. The approval, disapproval or failure to approve of any building plans shall not be deemed a waiver of any restriction, unless the Architectural Committee is hereinafter authorized to grant the particular waiver. Nothing herein contained shall in any way be deemed to prevent any of the Owners of Property in this Addition from maintaining any legal action relating to improvements within this Addition, which they would otherwise be entitled to maintain.

C. The powers and duties of the Architectural Committee shall be deemed transferred to the Association upon written assignment to the Association by the Architectural Committee. Thereafter, the foregoing powers and duties shall be exercised by the Board of Directors of the Association or any committee appointed by such Board.

1.3 Set-back Lines, Frontage and Access Limitation. No buildings, outbuildings, structures, or parts thereof shall be constructed or maintained on Lots nearer to the property lines than the set-back lines provided herein or shown on the accompanying Plat unless subsequently modified by the Wagoner County Metropolitan Area Planning Commission. Unless otherwise provided by easement or set-back lines shown on the accompanying Plat, the minimum building set-back lines for dwellings or other outbuilding structures shall be:

Front Yard: 25 feet
Side Yard: 5 feet
Other side yard: 5 feet
Rear yard: 20 feet

Each Lot shall maintain a rear yard of at least 20 feet; provided, however, outbuildings may be located in the required rear yard, but no building shall be erected nearer than 10 feet to rear Lot line nor encroach upon any utility easement.

Each dwelling shall front an interior public street and derive its access solely from an interior public street. On corner Lots, the dwelling shall front the greater of the building setback lines if different building setback lines have been established on the Lot.

1.4 Fences. Interior fencing or walls shall not extend beyond the building lines of the Lot and, if a residence is built behind the front building lines of a Lot, no fence may extend beyond that point nearest the street at each end corner of the residence. Provided however, on corner Lots fencing may extend to within 24.5 feet from the curb of the street forming the side yard boundary of the Lot (12.5 feet from the street right-of-way). No fence on any Lot shall exceed six (6) feet in height. Privacy enclosures of open patios, swimming pools or garden courts, where approved in writing by the Architectural Committee, may exceed six (6) feet in height. All fences must be of wood, wrought iron or masonry construction. Barbed wire, meshed and chain link fences shall be prohibited. No fences shall be constructed on overland drainage easements.

1.5 Outbuildings. All tool sheds, hobby rooms, or other outbuildings shall not exceed 120 square feet in floor area and shall be constructed of materials which are the same as or better than the exterior trim of the dwelling on the Lot. Metal or plastic exteriors shall be prohibited. All such outbuildings shall be painted the same color as the dwelling. All such outbuildings shall be shingled with the same single type and color as the dwelling. No outbuilding shall exceed 10 feet in height to the peak of the roof from ground level. No outbuildings of any kind shall be constructed without the prior written approval of the Architectural Committee.

1.6 Antennas. Exterior antennas or other devices (including supporting structures) for the transmissions or reception of radio, television, satellite signals or other forms of electromagnetic radiation are prohibited. Provided, however, within each Lot one satellite dish not to exceed 2 feet in diameter and not visible from any public street shall be permitted.

1.7 Planters. To protect views and maintain the character of the Addition, no planter or hedge shall be more than six (6) feet in height.

1.8 Easements. No structure, planting or other material shall be placed or permitted to remain on or within the easements or within any utility or similar easements shown on the Plat of the Property, which such structure, planting or other material may damage or interfere with the installation and maintenance of utilities, or which may change the direction of flow of drainage channels in the easements, or which may obstruct or retard the flow of water through drainage channels in the easements. The easement area of each Lot and all improvements in it shall be maintained continuously by the Lot Owner or occupant of the Lot, except for those improvements whose maintenance is the responsibility of a governmental body or agency or a public authority or utility company. No conveyance by Developer of any Lot, or of any interest therein, shall be deemed to be, or construed as, a conveyance or release of these easements, or any of them, even though the conveyance purports to convey the Lot in fee simple, or by other language which purports to convey Developer's entire interest therein, but such effect shall only arise if the conveyance specifically recites it to be the intention of Developer to thereby convey or release the easements.

Developer further reserves to itself, its successors and assigns, the right to grant easements, right -of-way and licenses to any person, individual corporate body or municipality to install and maintain pipelines, underground or above ground lines, with the appurtenances necessary thereto, for public utilities or quasi-public utilities, or to grant such other licenses or permits as Developer may deem necessary for the improvement of the Property, in, over, through, upon, under and across any and all of the streets, avenues, roads, courts and open spaces, and in, over, through, upon, under and across each and every Lot in the easement area reserved in this Deed of Dedication or as shown on the Plat of the Addition. No street, avenue, road, court, open space or easement shall be laid out or constructed through or across any Lot, except as set forth in this Deed of Dedication, or as laid out and shown on the Plat, without the prior written approval of the Developer.

No prefabricated or manufactured dwelling of any kind or any residence constructed off site may be moved onto any Lot. No structure other than a dwelling house shall be used at any time as a residence, either temporarily or permanently. 2.2 Washing out of concrete trucks or concrete spills. Ready mix concrete trucks may wash out only on the property in which the concrete is being used. Property Owners shall be responsible to other property Owners for assuring that concrete delivered to their Lot remains on their Lot. The intended property Owner shall be held responsible for clean up if concrete delivered to a Lot is spilled or washed onto streets or other Lot(s).

2.3 Leasing and/or Renting. In the event an Owner leases or rents their residence, the Owner has an affirmation duty to notify the tenant of the existence of the Association, and the terms and conditions of the restrictive covenants set forth herein. The Owner shall provide a copy of the covenants to the tenant. The Owner shall insure that the tenant complies with the covenants and requirements herein and shall provide the undersigned Owner, Developer, and the then President of the Association with the name and phone number of the tenant and the address and phone number where the property Owner can be contacted in the event any problems regarding compliance with the covenants or other requirements set forth herein occur. Owner acknowledges he is aware that compliance with the terms and conditions of the covenants is the Owner's ultimate responsibility regardless of any agreement between the Owner and the tenant and any action or inaction on the part of the tenant.

2.4 Noises/Nuisance. No obnoxious, offensive or illegal activity of any sort shall be permitted, nor shall anything be done on any Lot, which may be or may become an annoyance or nuisance to the Addition. Activities expressly prohibited are those which may be offensive by reason of odor, fumes, dust, smoke, noise, vision, vibration, or pollution, or which are hazardous by reason of excessive danger, fire, or explosion.

All animals must be kept in a fenced yard or on a leash. Animal shelters shall be screened from view from any street unless in conformity to the requirement for the construction of outbuildings herein. Animals shall not be permitted to roam in the Addition or Park and at the option of the Association, lawful measures may be taken to control any animals not under the immediate control of their Owners, including but not limited to the right to impound such animals and to charge reasonable fees for their return.

2.6 Maintenance. All Lots and the structures thereon shall be kept and maintained at all times by the Lot Owner or occupant in good order and in a neat, attractive, healthful and sanitary condition. The Lot Owner or occupant of each Lot shall seed and mow the lawns thereon, and shall keep the shrubbery trimmed and the painted exterior surfaces painted, all in a manner and with such frequency as is consistent with good property management. The front yard of each Lot shall be kept only as a lawn, including trees, flowers and shrubs. No trees or shrubs shall be located on any portion of a Lot, which could block the view of operators of motor vehicles so as to create a traffic hazard. In no event shall any Lot be used for storage of material or equipment, except for normal residential requirements or incident to construction of improvements thereon, nor shall any Lot Owner or occupant permit accumulation of garbage, debris, trash or rubbish of any kind thereon. All yard equipment or storage piles shall be kept screened from view of neighboring Lots, streets, or other property. The Association reserves the right to enter upon any Lot for the purpose of maintenance if a Lot is not being kept and maintained in a manner acceptable to the Association. The cost of such maintenance shall become a lien upon the Lot and governed by the provisions of paragraph 5.3 hereof.

2.7 Wind Generators and Solar Collectors. No wind generators or solar collectors shall be installed on any Lot or dwelling.

2.8 Swimming Pools. Swimming pool drains shall be piped into the street gutter either in front of or nearest to the Lot. All pool service equipment shall be kept and stored from view behind a privacy fence and located in either (a) a side yard between the front and rear boundaries of the dwelling; or (b) in the back yard adjacent to the dwelling and shall not be visible from any residential street or other Lot. No temporary pool covering shall extend higher than four feet above the water level of the pool. Above ground pools shall not be permitted. Temporary above ground pools shall be allowed between May 1 and September 30 only.

2.9 Clothes Lines. No permanent exterior clothes dryer or clothes drying line shall be erected, installed or maintained on any Lot, or on any structure thereon, and the drying of clothes in public view shall be prohibited.

No commercial vehicles larger than a standard size pickup truck or SUV shall be parked at any time on a street or driveway by a Lot Owner or occupant, nor by any other person for a period longer than is reasonably necessary for the driver thereof to perform the business functions to which the commercial vehicle relates. Owner's or resident's vehicles shall not be parked in any street.

2.14 Signs. No sign of any kind shall be displayed to the public view on any Lot without the prior written approval of the Architectural Committee, except one sign of not more than nine (9) square feet advertising the sale of a Lot or rental or sale of a dwelling, or campaigning for a particular result in any political elections or issue, or advertising a garage sale by a Lot owner or occupant, or advertising the sale of a Lot or dwelling during the construction and sales period by the Developer or a builder. Permanent signs installed by the Developer identifying the Addition may be located at the entrances to Renaissance Park.

2.15 Wastes. No Lot shall be used or maintained as a dumping ground for rubbish, trash, garbage or other wastes. All waste shall be kept in sanitary containers and all equipment for storage or disposal of such material shall be kept in a clean, neat and orderly manner. The Lots and all easements shall be kept clean, neat and mowed to the street. All waste containers must be removed from the curbside and screened or maintained from public view from any street within twelve (12) hours after refuse collection services empty the containers.

2.16 Compliance with Code. All Lots in the Addition are subject to the uses, restrictions, rules, requirements and jurisdiction of the Wagoner Metropolitan Area Planning Commission, Wagoner County, Oklahoma, and any other local, state or federal agency or authority having jurisdiction thereof.

2.17 Landscape Easement. 3.2 Membership. Every person or entity who is a record Owner of the fee interest of a Lot in the Addition shall be a member of the Association, and membership shall be appurtenant to and may not be separated from the Ownership of such Lot. The acceptance of a deed to a Lot shall constitute acceptance of membership in the Association as of the date of its incorporation, including the acceptance of the bylaws or any amendment thereto, or as of the date of recording of the deed, whichever occurs last.

3.3 Covenant for Assessments. The Developer and each subsequent Owner of a Lot, by acceptance of a deed thereto, is deemed to covenant and agree to pay to the Association assessments to be established by the Board of Directors of the Association in accordance with a declaration to be executed and recorded by the Developer prior to the conveyance of a Lot within Renaissance Park. An assessment shall be a lien on the Lot against which it is made, but the lien shall be subordinate to the lien of any recorded first mortgage.

3.4 Certain Rights of the Association. Without limitation of such other powers and rights as the Association may have, the Association shall be deemed a beneficiary, to the same extent as a Lot Owner, of the various covenants set forth herein, and shall have the right to enforce the covenants to the same extent as a Lot Owner.

3.5 Certain Obligations of the Association. Subject to satisfaction of the conditions precedent set forth below, upon the amendment of this Deed of Dedication and the Plat of the Addition to incorporate and add thereto any part of the Adjacent Property described in Exhibit A, attached hereto, ("Adjacent Property") the obligations of the Association shall further include the administration, management and maintenance of all common areas contained within said part of the Adjacent Property. Likewise, subject to satisfaction of the conditions precedent set forth below, if the Adjacent Property or any portion thereof is subdivided and platted into one or more separate residential additions, the Association shall be charged with the administration, management and maintenance of all common areas contained within such addition(s) in the same manner and to the same extent as provided herein for this Addition.

2. In the event of the platting of the Adjacent Property into one or more separate or independent additions, there must have been filed in the appropriate records of Wagoner County, Oklahoma, covenants obligating the Owners of Lots in any such independent addition to become members of the Association and to pay assessments for common area maintenance at least equal to but not greater than the assessments required of the Owners of Lots in this Addition.

ARTICLE IV

4.1 In General. In addition to any rights or powers reserved to Developer or granted to Developer under the provisions of this Declaration or the Declaration of the Homeowners Association document, Developer shall have the rights and powers set forth in this article. Anything in this Declaration or the Declaration of the Homeowners Association document to the contrary notwithstanding, the provisions set forth in this article shall govern. If not sooner terminated as provided herein, the provisions of this article shall terminate and be of no further force and effect from and after such times as Developer is no longer vested with or controls title to any part of the Property. Developer may permit such builders and other contractors access to and upon the Property as Developer may wish, and subject to such limitations and conditions as Developer may impose and require. Developer, its agents and contractors shall have the right of ingress, egress and parking on the Property and the right to store construction equipment and materials on the Property without the payment of any fee or charge whatsoever.

4.4 Developer Control of Homeowners Association. The Board of Directors of the Association shall consist of such persons designated by Developer according to the provisions of the Declaration of Homeowners Association. Developer's rights under this section to designate the members of the Board of the Association shall terminate upon the occurrence of the first of the following events: (a) the Developer no longer holds or controls title to any part of the Property, (b) the Developer gives written notice to the Association of Developer's election to terminate its right to select the Board, or (c) the expiration of ten (10) years from the date of recording hereof (the "Turnover Date").
