Developer does hereby certify that Developer has caused the Property to be surveyed, staked and platted into blocks, lots, streets, easements, park, detention areas, and right-of-ways, in conformity with the recorded Plat, and Developer does hereby adopt the same as the Plat of the Property, and names and designates the Property as Renaissance Park II, (hereinafter "Addition"), a subdivision in Wagoner County, State of Oklahoma.

STREETS, EASEMENTS, AND UTILITIES

A. PUBLIC STREETS AND GENERAL UTILITY EASEMENTS

Developer does hereby dedicate for public use all streets and avenues as shown and designated on the Plat of the Property, and Developer does further dedicate for public use the easements as shown and designated on said Plat for the several purposes of constructing, installing, maintaining, repairing, operating, and/or removing and replacing any and all public utilities, including but not limited to, drainage and storm sewers, sanitary sewers, telephone lines, electric power lines and transformers, gas lines, and water lines, together with all fittings and equipment for each of such facilities, including but not limited to, wires, poles, conduits, pipes, valves, meters, and such other necessary or convenient appurtenances thereto, with the right of ingress and egress, in and to said easements for the uses and purposes aforesaid; provided, however, the Developer, its grantees, successors and assigns, hereby reserves the right to construct, install, maintain, operate, lay and relay water lines, sewer lines, gas lines and drainage swales, together with the right of ingress and egress, over, across, under and through all such easement areas shown on said Plat, both for the purposes of furnishing water, gas, sewer and/or drainage services to the area included in said Plat, and to other areas not included within the Plat.

B. STORM SEWER

1. Wagoner County or its successors, through its proper agents and employees, shall at all times have right of access with their equipment to all storm sewer easements for the purpose of installing, maintaining, removing or replacing any portion of the underground storm sewer system.
2. No permanent fence, permanent wall, permanent building, or permanent structure which would cause an obstruction shall be placed or maintained in the storm sewer easement area, and any construction activity which would interfere with the storm sewer system shall be prohibited.
3. Wagoner County or its successors, shall be responsible for ordinary maintenance of the public storm sewer system, but the Owner of each Lot will pay for damage or relocation of such system caused or necessitated by acts of the Owner of each Lot or his agents or contractors.
4. The Owner of each Lot shall be responsible for the protection of the storm sewer located on their Lot and shall prevent the alteration of grade or any construction activity which may interfere with said storm sewer. Within the utility easement areas depicted on the accompanying Plat, the alteration of grade from the contours existing upon the completion of the installation of the storm sewer, or any construction activity which would interfere with the storm sewer, shall be prohibited.
5. The foregoing covenants concerning the public storm sewer system shall be enforceable by Wagoner County, or its successor, and the Owner of each Lot agrees to be bound hereby.

C. LIMITS OF NO ACCESS

The undersigned Developer hereby relinquishes rights of vehicular ingress or egress from any portion of the property adjacent to South 209th East Avenue within the bounds designated as "Limits Of No Access" (L.N.A.) as shown on the attached Plat, which Limits of No Access may be modified, amended, or released by the concurring approval of Wagoner County, or its successor, or as otherwise provided by the statutes and laws of the State of Oklahoma pertaining thereto.
The foregoing covenant concerning Limits of No Access shall be enforceable by Wagoner County, and the Owner of each Lot agrees to be bound hereby.

D. UNDERGROUND SERVICE

1. Overhead lines for the supply of electric, telephone, and cable television service may be located along the East boundary of the Addition if located within the public and/or utility easements herein established. Street light poles or standards shall be served by underground cable, and elsewhere throughout the Addition all supply lines including electric, telephone, cable television and gas lines shall be located

underground in the easements dedicated for general utility services and in the rights-of-way of the public streets, as depicted on the accompanying Plat. Service pedestals and transformers as sources of supply at secondary voltages, may also be located in easement-ways.

2. Underground service cables to all structures which may be located on all Lots in the Addition may be run from the nearest service pedestal or transformer to the point of usage determined by the location and construction of such structure as may be located upon each said Lot; provided that upon the installation of such a service cable to a particular structure, the suppliers of electric or communication service shall thereafter be deemed to have a definitive, permanent, effective and exclusive right-of-way easement on said Lot, covering a five-foot strip extending 2.5 feet on each side of such service cable, extending from the service pedestal or transformer to the service entrance on said structure.
3. The supplier of electric, telephone, cable television and gas services, through its agents and employees, shall at all times have right of access to all easement-ways shown on the Plat or otherwise provided for in this Deed of Dedication for the purpose of installing, maintaining, removing or replacing any portion of the underground electric, telephone, cable television or gas facilities installed by the supplier of the utility service.
4. The Owner of each Lot shall be responsible for the protection of the underground service facilities located on their Lot and shall prevent the alteration of grade or any construction activity which would interfere with the electric, telephone, cable television or gas facilities. The supplier of service shall be responsible for ordinary maintenance of underground facilities, but the Owner of each Lot shall pay for damage or relocation of such facilities caused or necessitated by acts of the Owner of each Lot or his agents or contractors.
5. The foregoing covenants set forth in this paragraph D shall be enforceable by the supplier of the electric, telephone, cable television or gas service and the Owner of each Lot agrees to be bound hereby.

E. WATER, SEWER AND GAS SERVICE

1. Each supplier of water, sewer, or gas service through its agents and employees shall at all times have right of access to all easements shown on said Plat, or otherwise provided for in this Deed of Dedication, for the purpose of installing, maintaining, removing or replacing a portion of the underground facilities installed by the supplier of service.
2. The Owner of the Lot shall be responsible for the protection of the underground facilities located on their Lot, and shall prevent the alteration of grade or any construction activity which would interfere with the facilities. The supplier of service shall be responsible for ordinary maintenance of the underground facilities, but the Lot Owner shall pay for damage or relocation of such facilities caused or necessitated by the acts of the Owner of the Lot or his agents or contractors.
3. The restricted water line easement (RW/E) shown in the Plat is hereby established for and restricted to the use of the Wagoner County Rural Water, Sewer, Gas and Solid Waste Management District No. 4, its successors and assigns, for water line construction, operation and maintenance; however, other utilities are granted the use of this easement for crossing access to their facilities.
4. Wagoner County Rural Water, Sewer, Gas and Solid Waste Management District No. 4 or its successors and assigns, shall be responsible for the ordinary maintenance of public water mains, but the Lot Owner shall pay for damage or relocation of such facilities caused or necessitated by acts of the Lot Owner, his agents or contractors.
5. Green Country Sewer Company or its successors and assigns, shall be responsible for the ordinary maintenance of public sewer mains, but the Lot Owner shall pay for damage or relocation of such facilities caused or necessitated by acts of the Lot Owner, his agents or contractors.
6. Wagoner County Rural Water, Sewer, Gas and Solid Waste Management District No. 4 and Green Country Sewer Company or their successors and assigns, through their proper agents and employees, shall at all times have a right of access with their equipment to all such easements shown on said Plat, or provided for in this Deed of Dedication, for the purpose of installing, maintaining, removing or replacing any portion of their respective underground facilities.
7. The Owner of the Lot shall be responsible for the repair of damage to landscaping and paving occasioned by necessary maintenance or repair of the public water or sewer facilities within the easement areas; provided, however, the Wagoner County Rural Water District No. 4 and Green Country Sewer Company shall use reasonable care in the performance of such activities.
8. The foregoing covenants set forth in this paragraph E shall be enforceable by the Wagoner County Rural Water, Sewer, Gas and Solid Waste Management District No. 4 and Green Country Sewer Company or their successors and assigns, and the Owner of each Lot agrees to be bound hereby.

F. SURFACE DRAINAGE

Each Lot shall receive and drain, in an unobstructed manner, the storm and surface waters from Lots and drainage areas of higher elevation and from public streets and easements. No Lot Owner shall construct or permit to be constructed any fencing or other obstruction, which would impair the drainage of storm and surface waters over and across his Lot. The foregoing covenants set forth in paragraph F shall be enforceable by any affected Lot Owner or Wagoner County, Oklahoma.

G. PAVING AND LANDSCAPING WITHIN EASEMENTS

The Owner of the Lot affected shall be responsible for the repair of damage to landscaping and paving occasioned by the necessary maintenance of water, sewer, storm sewer, natural gas, communication, cable television or electric facilities within the utility easement area depicted upon the accompanying Plat, provided, however, the supplier of the utility service shall use reasonable care in the performance of such activities.

H. DURATION

Developer, for the purpose of providing an orderly and uniform plan of development for the Addition and for ensuring adequate conditions, restrictions and protective covenants to preserve the character of the Addition for the mutual benefit of Developer, and its grantees, successors and assigns, does hereby declare and establish the following conditions, restrictions, protective covenants and reservations of easements set forth hereinbelow, which are made for the use and benefit of each person accepting a conveyance thereof either directly from Developer or from any of Developer's grantees, successors and assigns, and such persons shall take the same subject to such conditions, restrictions and protective covenants, and by accepting such conveyance shall be deemed to have assented thereto and shall be entitled to all of the benefits and shall assume all of the responsibilities thereof. The conditions,

restrictions and protective covenants set forth herein shall run with the land and shall be binding upon the Property and all Lot Owners claiming under them until ten (10) years from the recording date hereof and such conditions, restrictions and protective covenants shall be automatically extended and renewed for successive periods of ten (10) years each thereafter, unless prior thereto, the Owners of two-thirds (2/3rds) of the Lots, by written declaration, signed and acknowledged by them and recorded in the office of the County Clerk for Wagoner County, Oklahoma, cause such conditions, restrictions and protective covenants, or any of them, to be altered, amended or terminated; provided, the Developer reserves the right, in Developer's sole discretion and without joinder of any other Lot Owner, at any time prior to the Turnover Date as defined hereinbelow, to amend, revise or terminate any one or more of the said conditions, restrictions and protective covenants by written declaration, signed and acknowledged and recorded in the office of the County Clerk for Wagoner County, Oklahoma. All or any part of the rights and powers (including any discretionary powers and rights) reserved by or conferred upon Developer by this Declaration may be assigned or transferred by Developer to any successor Developer of all or any part of the Property, or to the Association or any Architectural Committee composed of the Lot Owners. Any such assignment or transfer shall be evidenced by an appropriate written instrument recorded in the office of the County Clerk of Wagoner County, Oklahoma, and upon recordation thereof the grantee or grantees of such rights and powers shall thereafter have the right to exercise and perform all of the rights and powers reserved by or conferred upon Developer by this Declaration.

Developer does hereby declare that the Property shall be held, sold and conveyed subject to the Covenants, Conditions, Restrictions and Easements set forth herein. Each conveyance of a Lot or of any interest in a Lot, shall be deemed to be subject to this Declaration, whether or not the deed conveying the Lot shall so state.

COVENANTS, CONDITIONS AND RESTRICTIONS

ARTICLE I

DWELLING AND LOT IMPROVEMENTS

1.1 Dwellings. Unless waived by the Developer in writing the following standards shall apply to all dwellings in the Addition:

- A. Exterior Walls. The exterior walls of the dwelling erected on any Lot shall be of at least 90% brick, stone, or stucco to the top plate of the first floor; provided, however, that the area of all windows and doors located in exterior walls shall be excluded in the determination of the area of exterior walls, and further provided that where a part of the exterior wall is extended above the interior room ceiling line due to the construction of a gable-type roof, then that portion of the wall extending above the interior room ceiling height may be constructed of wood material and shall be excluded from the determination of the area of the exterior walls.
 - B. Floor Area of Dwellings. All single story, one & one half or two story dwellings shall have at least 1,200 square feet of finished heated living area. One and one-half or two-story dwellings shall have at least 1,000 square feet of finished heated living area on the first floor. The computation of living area shall not include any basement or attic area used for storage. All living area measurements shall be taken horizontally at the top plate level to the face of the outside wall. Required living area must average at least 7 feet 6 inches in height, except that in the computation of second or upper story living area, the height shall be 7 feet 6 inches for at least one-half of the required living area, and any area of less than 5 feet in height shall be excluded.
 - C. Garages. All dwellings shall have attached garages suitable for accommodating a minimum of two (2) standard size automobiles. All garages shall be accessed by overhead garage doors. No glass, plastic or other transparent material shall be permitted for use in the overhead garage doors. Carports shall not be permitted. A detached garage shall not be permitted.
 - D. Patio Covers. All patio covers shall be an integral part of the dwelling such that they are contained within the roofline and shall be constructed with the same design, shingle type, color and materials as the dwelling.
 - E. Driveways. All driveways into a Lot from any street shall be constructed of concrete, shall not be less than sixteen (16) feet in width and shall extend to and terminate at the interior edge of the street.
 - F. Mailboxes. All mailboxes shall conform to the standard mailbox design for Renaissance Park II as prescribed by the Architectural Committee and installed by the builder in accordance with the approved mailbox master plan on file with the Architectural Committee.
 - G. Roof Pitch and Height. The roof of the dwelling shall have a pitch of at least 6/12 over 85 percent of the total roof area, and none of the roof area shall have a pitch of less than 3/12. No dwellings shall exceed two stories in height.
 - H. Roofing. The roof of the dwelling erected on any Lot shall be self-sealing composition shingle. All roofs shall have a consistent color of "weathered wood" roofing as prescribed by the Architectural Committee.
 - I. Rooftop Protrusions. Sheet metal vents, flue liner terminals, chimney caps, metal roof flashing, and other rooftop protrusions shall be painted to conform with roof color.
 - J. Windows. The frames of aluminum windows shall be finished. Mill finish shall not be used.
 - K. Landscaping. The front yard of each Lot must be fully sodded within 30 days of completion of the construction of any dwelling.
 - L. Retaining Walls. Only concrete or masonry retaining walls may be built in the Addition. Plans for all retaining walls must be submitted along with plans for the dwelling to the Architectural Committee prior to construction.
 - M. Foundation or Stem Walls. No concrete blocks, poured concrete, or any other foundation or stem wall shall be exposed unless constructed of brick or stone.
 - N. Sidewalks. All Lots with dwellings erected upon them shall have sidewalks, to be constructed at the expense of the Lot Owner, which shall conform to the specifications and requirements as proscribed by, and on file with, the Architectural Committee. Maintenance of sidewalks shall be an expense of the Lot Owner.
- 1.2 Architectural Committee-Plan Review
- A. No building, fence, or wall shall be erected, placed or altered on any Lot in this Addition until the building plans and specifications, drainage and grading plans, exterior color scheme and material thereof, and plot plan, which plot plan shows the location and facing of such building, have been approved in writing by at least one member of the Architectural Committee which shall be composed of Jody Sweetin and Benjamin Maier, or their duly authorized representative or successors.
