CHAPTER 5 - Workers' Compensation Insurance and Self-Insurance
Subchapter 3 - Proof of Coverage

Section 810:5-3-1 Proof of coverage requirements

810:5-3-1. Proof of coverage requirements

(a) Any insurer issuing a policy to provide benefits pursuant to the AWCA, or group self-insurance association approved by the Commission, must report its statutorily required notices of insurance coverage and cancellation electronically with the Commission using the NCCI Proof of Coverage (POC) system. To do so, the insurer must elect with the NCCI to use the NCCI POC system, authorize the NCCI to make the required filings on behalf of the insurer, and report its policy information, including, but not limited to, new and renewal policies, binders, cancellations, reinstatements, and endorsements, with the NCCI in accordance with NCCI reporting requirements for the State of Oklahoma.

(b) Compliance with 85A O.S., §42(B) is required to effect cancellation of a workers' compensation insurance policy. Notice of intent to cancel provided to NCCI or to the Commission pursuant to 85A O.S., §42(B) does not constitute service upon the insured employer of notice of intent to cancel.

(c) An insurer shall electronically file its cancellations with the NCCI, in lieu of mailing to the Commission. The date the cancellation is electronically received by the NCCI will constitute the beginning date for the ten and thirty day waiting periods referenced in 85A O.S., §42(B)(2) for the cancellation to become effective.

(d) A policy must be reported to the NCCI no later than thirty (30) days after the effective date of the policy. Every named insured and covered location in the State of Oklahoma must be reported as well. The date the policy is first received by the NCCI will count as the received date for purposes of this deadline. For purposes of mid-year endorsements or jurisdictional additions to policies, the date the original policy was received by the NCCI will count as the received date for purposes of this deadline. Any insurer who fails to timely and accurately file their policies with the NCCI, shall be subject to a fine by the Commission of not more than One Thousand Dollars (\$1,000.00) as determined by the Commission.

Section 810:5-7-2 Hearing process

Section 810:5-7-3 Interference of duty

Section 810:5-7-4 Injunctive relief against a noncompliant employer

810:5-7-1. Proof of insurance

(a) Whenever the Commission has reason to believe that an employer is required to secure the payment of compensation under the AWCA and has failed to do so, the Commission may make reasonable inquiry of the employer and demand proof of current workers' compensation insurance coverage compliant with 85A O.S., §38 or documentation substantiating the employer's exemption from coverage requirements.

(b) As authorized in 85A O.S., §40, if no proof of insurance or exemption is provided; or the documentation offered does not substantiate a claimed exemption or is not current, valid proof of insurance in accordance with 85A O.S., §38; or the employer fails to respond in a timely manner, the Commission shall serve on the employer a proposed judgment declaring the employer to be in violation of the workers' compensation insurance coverage requirements mandated by law and

assess a monetary fine against the employer in an amount not to exceed One Thousand Dollars (\$1,000.00) per day of violation.

810:5-7-2. Hearing process

A proposed judgment issued under 810:5-7-1 may be contested by the employer as provided in 85A O.S., §40, and is subject to a hearing process conducted pursuant to 85A O.S., §70 through 78.

810:5-7-3. Interference of duty

(5) Provide such additional records and information germane to the application as may be required by the Commission.

(b) The application shall be reviewed by the Commission's Insurance Division. If the application is determined to be sufficient, the Division will issue a permit licensing the applicant to carry its own risk without compensation insurance, for a period of one year. If the application is determined to be deficient, the Division will notify the applicant thereof, stating the reasons for the deficiency. If the deficiency cannot be resolved within the stated time frame from the Division, the application will be denied.

(c) An applicant may withdraw its pending Application for Individual Own Risk Employer Permit at any time. Once withdrawn, no further action regarding the application will be taken by the Commission and the Commission's file on the application request will be considered closed.

(d) The Commission's Insurance Division may extend or amend an existing permit, in its discretion, if necessary for the completion of a renewal application or a change in facts of the permit.

(a) Unless waived as provided in Subsection (b) of this Section and except for governmental entities subject to 810:5-9-11, to be eligible for an Individual Own Risk Employer Permit, the applicant must:

(3) have at least One Million Dollars (\$1,000,000.00) in net assets.

(b) An applicant that does not satisfy the minimum eligibility requirements of Subsection (a) of this Section, may petition the Commission for a waiver of the requirements. The Commission may waive some or all of the requirements for good cause, subject to any security deposit and/or excess insurance requirements determined by the Commission to be appropriate should the permit be approved.

810:5-9-3. Financial information review

(a) Factors used to determine an applicant's financial ability to pay compensation to its employees include:

 - (7) Number of employees;
 - (8) Workers' compensation loss history;
 - (9) Estimated manual premium; and
 - (10) Other relevant factors as determined by the Commission.
- (b) An Application for Individual Own Risk Employer Permit may be denied if the employer cannot demonstrate its ability to pay its compensation obligations.

810:5-9-4. Security Deposit

- (a) As a condition to self fund its workers' compensation obligations, an employer approved as an individual own risk employer shall post acceptable security with the Commission, in such form and amount as determined by the Commission.
- (b) Acceptable forms of security, are:

The financial institution must be approved in advance by the Commission. The letter of credit must be on a form prescribed by the Commission, include an automatic renewal clause, and cannot be non-renewed without at least sixty (60) days' prior written notice to the Commission. The letter of credit shall be made payable to the Commission. The Commission may make demand and collect on the posted letter of credit in whole or in part, in the case of actual or imminent default of the employer to pay compensation liabilities, or the cancellation of the letter of credit without an adequate replacement;
 - (2) A surety bond from an admitted or surplus lines insurer with an AM Best Rating of B+ or better, and on a form prescribed by the Commission; and
 - (3) Such other forms of security approved by the Commission.
- (c) The amount of the security deposit shall be determined by the Commission after evaluating the financial ability of the individual own risk employer to pay its compensation and workers' compensation exposure. The determination may include consideration of a factor for IBNR for the prior claims' years and the permit year applied for. The Commission may require an actuarial report of estimated claims reserves and IBNR from a Commission approved actuary. The minimum amount of the security required in Subsection (b)(1) or (b)(2) of this Section shall be the greater of:
- (1) One Hundred Thousand Dollars (\$100,000.00); or
 - (2) The employer's average yearly incurred workers' compensation losses for three (3) calendar or fiscal years immediately preceding the application date; or

- (d) The security required of an individual own risk employer, and any proceeds thereof collected upon demand, including any interest thereon, shall be maintained by the Commission as provided in the AWCA until each claim for workers' compensation benefits is paid, settled or lapses under the AWCA, and costs of administration of those claims are paid, or until the security is released by the Commission as provided in 810:5-9-19.

810:5-9-5. Renewals

The criteria for renewal of an individual own risk employer permit shall be the same as that for a new applicant.

810:5-9-6. Effectiveness of previously authorized permits, security deposits and guaranties

(a) Individual own risk employer permits previously authorized by the Workers' Compensation Court Administrator pursuant to 85 O.S., §351 and in effect on January 31, 2014 shall remain in full force and effect for the duration of the permit term thereafter, unless voluntarily terminated by the own risk employer or revoked by the Commission.

(b) All security deposits and parental guaranties posted by an individual own risk employer with the Workers' Compensation Court Administrator pursuant to 85 O. S., §351 before February 1, 2014 as a condition for the own risk employer to self fund its workers' compensation obligations, which are maintained by the Court Administrator and in effect on January 31, 2014, shall remain in full force and effect, pursuant to their respective terms, on and after February 1, 2014, notwithstanding assumption by the Commission of the Court Administrator's regulatory responsibilities regarding individual own risk employers beginning February 1, 2014. At that time, the Commission shall be considered the successor entity to the Workers' Compensation Court Administrator in all respects regarding the security deposit and parental guaranty, with full power and authority in its own name to make demand and collect thereon in the same manner and to the same extent as and if the Commission were the Court Administrator. The Commission may require an individual own risk employer to post an adequate replacement security deposit or parental guaranty, or both, made payable to the Commission.

810:5-9-7. Claims administration

An individual own risk employer must use a third-party administrator licensed by the Commission, or an in-house benefits administrator approved by the Commission, to adjust its workers' compensation claims. The in-house benefits administrator must hold a current and unrestricted workers' compensation adjuster license for the State of Oklahoma.

810:5-9-8. Excess insurance

The Commission may require an individual own risk employer to provide proof of excess coverage with such terms and conditions as is commensurate with the employer's ability to pay the benefits required by the provisions of the AWCA. Such excess insurance must be from an admitted or surplus lines insurer with an AM Best Rating of B+ or better. The self insured retention must be approved by the Commission, and the excess carrier's limits of liability must be statutory. An amount less than statutory limits must be approved in advance by the Commission. Aggregate excess insurance may be required by the Commission if necessary.

810:5-9-9. Additional named insureds

(a) Subsidiaries, subdivisions, and affiliated employers may be included on the individual own risk employer permit as additional named insureds. A schedule listing the additional employers' names, addresses and federal employer identification numbers (FEIN) must be submitted. The additional employers' workers' compensation losses, payroll and employee counts must be aggregated with the primary permit holder and included on the application. A guaranty from the primary permit holder for these additional employers must be submitted in accordance with 810:5-9-10.

(b) A subsidiary may apply for a separate individual own risk employer permit from its parent company if desired, but must meet all qualifications of this Subchapter.

810:5-9-10. Parental guaranty

- (a) A parental guaranty, on a form approved by the Commission, must be submitted for any additional named insured included on the permit.
- (b) If the individual own risk employer has a parent company that is not included on the permit, and the employer is relying on its parent company's financial statements to apply, then a parental guaranty, on a form approved by the Commission, must be submitted from the parent company for its subsidiary.

810:5-9-11. Governmental entities

- (a) Governmental entities may carry their own risk without insurance as provided in 85A O.S. §107. They must apply using the same application form as private employers, and submit the same required documents, with the exception of interim financial statements. Governmental entities will be exempted from posting a security deposit if they make an appropriation into a segregated workers' compensation fund. The amount of the appropriation must be at least the entity's average amount of workers' compensation losses paid during the preceding three (3) years.
- (b) Certain public trust employers will be required to post a security deposit in lieu of an appropriation. The Commission will make this determination at the time of application review.

810:5-9-12. Interim monitoring

An individual own risk employer may be placed on quarterly reporting by the Commission for purposes of monitoring its financial condition and workers' compensation loss history. Companies on quarterly reporting shall submit financial statements and loss runs to the Commission within sixty (60) days after the end of each of their fiscal quarters. An adjustment in the individual own risk employer's security deposit may be required after the Commission reviews the quarterly results.

810:5-9-13. Notification of changed status

An individual own risk employer must notify the Commission of any change in its financial condition or ownership in the interim period between applications, such as a net financial loss, which may impact the employer's financial ability to pay its compensation. Failure to notify the Commission in a timely manner may result in revocation of the own risk permit. If there is a change in majority ownership of an individual own risk employer, the own risk privilege granted to the employer shall be at the discretion of the Commission and the new entity shall be required to qualify under this Subchapter.

810:5-9-14. Revocation of permit

- (a) The individual own risk employer permit may be revoked by the Commission at any time upon reasonable notice and hearing, for good cause shown, including, but not limited to, failure to comply with the rules of the Commission; failure to pay compensation when due; and financial impairment of the employer which has or will bring the employer below the minimum net worth requirement of 810:5-9-2.
- (b) The employer is expected to secure its workers' compensation obligations at all times as provided by law, notwithstanding the revocation. Failure to do so may subject the employer to sanctions pursuant to 85A O.S., §40 and enforcement proceedings as provided in Subchapter 7 of this Chapter.

810:5-9-15. Assessments

An individual own risk employer must pay all applicable Multiple Injury Trust Fund assessments (85A O.S., §31) and all Self Insurance Guaranty Fund assessments (85A O.S., §98),

when due and timely report payment thereof to the Commission as prescribed by law. Failure to do so is grounds for revocation of the individual own risk employer permit, imposition of fines by the Commission, or both revocation and fines.

810:5-9-16. Medicare reporting

An individual own risk employer shall comply with Section 111 of the Medicare, Medicaid, and SCHIP Extension Act of 2007 (MMSEA), including all MMSEA workers' compensation reporting requirements, to the extent and as provided by Federal law.

810:5-9-17. Designation of service agent

An individual own risk employer must designate a service agent to receive service of notice. The designation must be on a form prescribed by the Commission and filed with the Commission as provided in 810:2-1-11.

810:5-9-18. Former own risk employers; continuing requirements

- (a) A former individual own risk employer remains responsible for:
 - (1) Paying all workers' compensation obligations incurred during its period as an approved individual own risk employer;
 - (2) Reporting its workers' compensation losses on an annual basis to the Commission, on a form prescribed by the Commission;
 - (3) Paying Self Insurance Guaranty Fund assessments as provided in 85A O.S., §98; and
 - (4) Maintaining an adequate security deposit with the Commission.
- (b) A former individual own risk employer is not liable for Multiple Injury Trust Fund assessments for periods beyond the last quarter in which it was an active own risk employer.

810:5-9-19. Release of security deposit

- (a) A security deposit posted with the Commission as required by 810:5-9-4 must remain in place, at its existing amount, for two years after an individual own risk employer voluntarily leaves self-insurance. The Commission may review the adequacy or excess of the security deposit in advance of the own risk permit termination date and require modifications to the security deposit amount as necessary.
- (b) A security deposit may be reduced at the Commission's discretion after the two year waiting period upon application by the employer and submission of current financial statements and workers' compensation loss runs.
- (c) A security deposit may be released at the Commission's discretion upon application by the employer and submission of current financial statements and a signed and notarized affidavit, from a duly authorized officer of the employer, affirming that all workers' compensation claims incurred under the own risk permit of the employer have been permanently closed, and the statute of repose for reopening the claims has passed.
- (d) The security deposit shall be released in full by the Commission within a reasonable period following receipt of proof of an assumption agreement or equivalent, from a licensed insurance carrier, whereby the claims liability under the individual own risk employer permit is transferred to and assumed by the insurance company. The assumption agreement or equivalent may be entered into before expiration of the two year waiting period provided in Subsection (a) of this Section.
