www.wcc.ok.gov

AGENDA

CALL TO ORDER Mr. Gilliland, Chair

ROLL CALL..... Mr. Gilliland, Chair

NOTICE OF COMPLIANCE..... Tiffany Pratt

1. The Commissioners will observe the Webex wcCapture and wcAnalyzer Presentation for informational purposes only. Commissioners will discuss the information received from the WebEx presentation, but no action will be taken. Information presented includes, but is not limited to the following:

- a. **Who is ISO/Verisk? (Overview of ISO/Verisk as an organization)**
- b. **Our Infrastructure (Overview of ISO/Verisk secure data center)**
- c. **ISO in Workers' Compensation (The development and history behind the WCS business unit)**
- d. **wcCapture & Analytics (Overview of the wcCapture compliance monitoring Electronic Data Interchange system for IAIABC states/wcAnalyzer analytics systems for state compliance data analysis)**
- e. **Demonstrations – wcPrism Free Web System (DEMO of the free web reporting system for lower volume trading partners)**
- f. **wcCapture Reports (DEMO of the wcAnalyzer “Compliance Cube” to measure data quality and timeliness of reporting)**
- g. **wcAnalyzer (DEMO of the wcAnalyzer “Claims Cube” for claims data analytics. This product is used to help produce state annual reports, uncover business trends, and make adjustments to state workers comp programs based on qualitative research and analysis)**
- h. **Q&A**
